

24 Second Shot-Clock Procedure

If the game is stopped by an official:

For a foul or violation (not for the ball having gone out of bounds) by the team not in control of the ball.
For any valid reason by the team not in control of the ball.
For any valid reason not connected with either team.

Possession of the ball shall be awarded to the same team that previously had control of the ball.

If the throw-in is administered in the backcourt, the 24-second clock shall be reset to 24 seconds.

If the throw-in is administered in the frontcourt, the twenty-four (24) second clock shall be reset as follows:

If the 14 seconds or more is displayed on the 24-second clock at the time when the game was stopped, the 24-second clock shall not be reset, but shall continue from the time it was stopped.

If the 13 seconds or less is displayed on the 24-second clock at the time when the game was stopped, the 24-second clock shall be reset to 14 seconds.

However, if in the judgement of an official, the opponents would be placed at a disadvantage, the 24-second clock shall continue from the time it was stopped.

24-second Shot Clock Penalty

The ball shall be awarded to the opponents for a throw-in at the place nearest to where the game was stopped by the official, except when directly behind the backboard.
