Once a refund has been approved, it will be submitted to the Director of Finance for processing. All refunds will be subject to a processing fee to cover the costs incurred to process transactions. The refund processing fee is calculated as follows: refund owing less the greater of \$5 or 2.8% to a maximum of \$25.

Coaching Clinic Refunds

Refunds will be provided to coaches in the event that a clinic is cancelled, or they are unable to attend. Coaches who wish to attend another course instead of receiving a refund can be transferred into a course within the **same month** upon request.

Timing

All refund requests made after an event or season has occurred will be denied.

No refunds will be issued after fiscal year end (August 31, 2021) and once financial statements have been filed.

Issuance of approved refunds will occur weekly, by end of day on Friday with the exception of holidays. If a holiday falls on the Friday, the refund issuance will occur on the proceeding Monday.

Please note:

- Refunds related to an internal OBA system error will be exempt from this policy and refunded at 100%. This includes duplicate payment of the same fee in a single transaction or a separate transaction. Proof of duplicate payments must be provided.

Adding a Player After the Team Registration Deadline

Adding a player past the specified team registration deadline will require an approval from the Player Exemption Committee. See [Section 4.8](#) about how to request a player exemption.

Timing

Teams are responsible for the proper registration of each player, and fees should be paid prior to the FIRST game a team plays in order to comply with insurance coverage regulations.

Late Registrations

Any team that fails to meet the team registration deadline may be ineligible to participate in any Ontario Basketball Championships.

2.2 ONTARIO BASKETBALL CHAMPIONSHIPS WITHDRAWAL DEADLINE

Withdrawal Process

Teams are responsible for informing Ontario Basketball if they are withdrawing from the Ontario Basketball Championships.

Teams intending to withdraw from the Championships should notify Mike Barbin (mbarbin@basketball.on.ca) immediately by e-mail.

Withdrawal Before and after Championships Registration Deadline

Teams withdrawing from the Ontario Basketball Championships before the registration deadlines will be refunded the registration fee, less a \$150 administrative fee. Teams withdrawing after the registration deadlines will not receive a refund.

Withdrawal After Final Results Submission

Teams withdrawing after the final results submission deadline will be penalized according to the Performance Bond and Failure to Appear Policy (see [Section 3.5](#)) and will NOT receive a refund.

Final Rankings

Teams are responsible for checking the final rankings and informing OBA if they have been accidentally ranked during the final ranking process. Teams that have been ranked because they have not indicated to Ontario Basketball their intention to not play in the Championships may be subject to sanctions.

2.3 ADD/REMOVE PLAYER DEADLINE

Players may be added to a team roster after it has been submitted but before the registration deadlines listed in [Section 2.1](#). Teams are not permitted to drop any player(s) from the team registration form to make space for player additions once the team roster has been submitted to Ontario Basketball.

Adding a Player Before the Team Registration Deadline

Any player addition before the team registration deadline will only be official when player information is registered and entered online, the player fee is paid, and a roster form with the new player's signature has been submitted to OBA.

Adding a Player After the Team Registration Deadline

Adding a player after the registration deadline will require approval from the Player Exemption Committee. Teams wishing to add players after the registration deadline must follow the Request for Exemption procedures outlined in [Section 4.8](#). Only after the committee approves the request will Ontario Basketball provide a Player Add Form to the individual. The Player Add Form will only be used for players being added after the registration deadline.

3. CLUB RESPONSIBILITIES

3.1 CLUB AFFILIATION

Club affiliation for the 2020-2021 season will open on **Tuesday, September 8, 2020**. At this time, club administrators are able to go online to the Ontario Basketball website and affiliate their club for the season.

Once a club has been registered and the appropriate affiliation fees have been paid (as per [Section 1.1](#)), Ontario Basketball will issue the club their insurance certificates for the year as requested on their club membership page.

It is the responsibility of the club to ensure that the club's contact information is up to date and the club's current Board of Directors is listed. During the affiliation process, the club must agree to all of Ontario Basketball's policies and accept the responsibility of sharing the information provided by OBA through e-mail communications, online resources, and this Rules and Regulations Manual with their coaches, athletes, and parents.

3.2 HOUSE LEAGUE REGISTRATION

Registration for house league members can be completed online through the club registration page. House league members will be insured to participate in activities within the insured facilities for their club and are not covered for travel competition. Clubs must upload their participant list in the registration portal.

3.3 INDIVIDUAL REGISTRATION

All head coaches, assistant coaches, managers, and players participating in Ontario Basketball events and/or signed to an Ontario Basketball team roster are required to become members of OBA using the online club login.

It is the responsibility of the club to keep individual membership forms on file with the team or club contact. In the case of a complaint about a player's age and/or authenticity, the team contact will be required to supply Ontario Basketball with a birth certificate and/or photo ID containing their birthdate.

Any participants signed to an Ontario Basketball team roster must be residents of the province of Ontario.

Any changes in membership information (e.g., address change) must be completed online immediately to ensure all membership data is accurate.

3.4 TEAM REGISTRATION

Every team must be registered online using the club login system and must submit their team roster form and fees to Ontario Basketball **prior to their first game of the season**.

It is important to note that insurance coverage is not in effect until the team is fully registered with Ontario Basketball. This means:

1. All coaches, managers, and players are registered online;
2. All membership fees have been paid;
3. All coaches, managers, and players have signed the team roster form, and the roster has been approved by Ontario Basketball; and
4. Coaches have received the required level of coaching certification for their level of competition (as per [Section 4.1](#)). If the team has a manager, the manager must submit proof of certification (as per [Section 4.1](#)).

Once payment for all players, coaches, managers, and team fees have been processed, the team will be posted as a registered team on the OBA website under “2020-21 Season Registered Teams”.

Team registrations must be completed by the deadlines outlined in [Section 2.1](#) to be eligible for participation in Ontario Basketball Championships.

3.5 PERFORMANCE BONDS AND FAIR PLAY REGULATIONS

Any team that fails to appear for Ontario Basketball League games will have their eligibility to register for the Ontario Basketball Championships removed and be subject to Fair Play sanctions.

Teams withdrawing from a sanctioned tournament and/or, Ontario Basketball Championships after the release of the schedule will be subject to sanctions.

Sanctions

Sanctions will be implemented as follows:

First Occurrence

The club’s performance bond will be forfeited, and the monies will be divided equally among the teams that the team in question was scheduled to play.

A performance bond equaling the dollar amount originally bonded must be immediately replaced by the club. Failure to do so will disqualify all other teams from the club in question from the current year’s Ontario Basketball Championships.

The following year, the performance bond for the club in question and the club for which the coach of the team in question is coaching, if different from above, will be raised.

Second Occurrence

The replacement performance bond will be forfeited, and the monies will be divided equally among the team(s) that the team in question was scheduled to play, the hosting club, and Ontario Basketball.

The performance bond of double the original bond amount must be immediately replaced by the club. Failure to do so will disqualify all other teams from the club in question from the current year's Ontario Basketball Championships.

The club will be suspended from OBA sanctioned tournaments, Ontario Basketball League, and Ontario Basketball Championships for a period of one year.

3.6 ATHLETE CONTRACT

All players signed to a team roster form and a member of OBA must sign an athlete contract agreeing to abide by a set of guidelines for the entire season.

It is the club and coaches' responsibility to distribute an athlete contract to each player. Each player is required to complete the athlete contract and return it to the club. All contracts must remain on file with the club.

3.7 COACH CONTRACT

All coaches signed to a team roster form and a member of OBA must sign a coach contract. The coach contract provides guidelines to abide by to ensure a positive development experience for all the athletes they coach.

It is the club's responsibility to distribute and collect contracts from all coaches within their club. All contracts must remain on file with the club.

Note: *Ontario Basketball highly encourages clubs to perform a Police Vulnerable Sector Check for each of their volunteers.*

4. COACH/TEAM RESPONSIBILITIES

4.1 NCCP CERTIFICATION REQUIREMENTS

The intent of mandatory National Coaching Certification Program (NCCP) certification is to ensure that all athletes are being instructed by coaches who are ethical, knowledgeable, and understand age- and stage-appropriate training methods. All Ontario Basketball coaches are expected to be “trained” **prior** to entering a gymnasium and coaching athletes. While Ontario Basketball understands that the timing of clinics in various regions might not always allow for this, the expectation is that coaches will attend the required clinic(s) as soon as possible so that they can implement the techniques that they learn during their NCCP experience, thereby providing their athletes with the opportunity to get the most out of their training.

After completing the in-person course coaches are “trained” in that specific stage, they must then complete their evaluations and the Make Ethical Decisions on-line module through the CAC (Coaches Association of Canada) in order to become a “certified” coach. Evaluations at the Learn to Train and Train to Train stages consist of an on-line Coach’s Portfolio and an on-court evaluation of their coaching competency. Once coaches have completed their Coach’s Portfolio through Game Plan, they can request their evaluation through the website (<https://gameplanbasketball.ca>) and Ontario Basketball will assign a Canada Basketball Certified Evaluator to their evaluation.

All coaches must complete their certification within one year of their training. The one-year window allows ample time to complete the portfolio and on-court evaluation. Once the one year have passed, coaches must pay a \$100 fee to complete their evaluation.

| Required Coaching Certification | | | |
|---------------------------------|--------------------------|--------------------------|--|
| Level | Head Coach | Assistant Coach | Manager |
| U10 to U12 | Certified Learn to Train | Certified Learn to Train | Certified Learn to Train OR First Aid OR High Five OR Athletic Trainer certification |
| U13 to U15 | Certified Train to Train | Train to Trained | Certified Learn to Train OR First Aid OR High Five OR Athletic Trainer certification |
| U16 to U19 | Certified Train to Train | Train to Trained | Certified Learn to Train OR First Aid OR High Five OR Athletic Trainer certification |

Certification for Managers

Managers who do not have Learn to Train certification must e-mail their first aid OR High Five OR athletic trainer certificate to Kauri LaFontaine (klafontaine@basketball.on.ca) in order to be registered for the team.

Coaching Certification Fines

Coaches who have not completed their correct coaching certifications within their first year of coaching will be subject to a \$100 fine for not following the Ontario Basketball mandatory certifications.

*Clubs will be charged at the end of the Ontario Basketball Championship season for coaches who coach at the Championship without certification or paying the fine.

***Coaching certification will not be mandatory for 2020-2021 if there are no coaching clinics offered by December 1st, 2020.**

Coaching Certification Contact

Contact Kauri LaFontaine (klafontaine@basketball.on.ca) with questions regarding coaching certification, fines, and hosting NCCP clinics.

4.2 SIGNED ROSTER FORMS

The team roster form should be submitted immediately after a team registers online. All clubs are now required to print their team roster form from the online [Member Club login](#). Coaches will not receive their coach login information until a completed team roster form has been signed and approved by OBA.

Coaches must contact club administrators for club login information and follow the steps to complete all registration requirements, as follows:

1. Click "Print Roster" located at the top right corner. This will produce a pop-up window with a formatted roster page.
2. E-mail signed team rosters to Mike Barbin (mbarbin@basketball.on.ca).

Once an athlete has signed a team roster form, they will be officially committed to that team and will NOT be eligible to compete with any other team registered with Ontario Basketball during OBA-sanctioned events.

4.3 COACH LOGIN INFORMATION

The coach login information gives head coaches access to the Ontario Basketball website in order to input game results.

The username and password will change from season to season and will be e-mailed directly to the head coach of the team once the team registration is fully complete.

4.4 SUBMITTING RESULTS

It is the responsibility of every head coach to input game results for their team and to ensure all team results are posted and are accurate before their respective ranking and seeding meetings.

Teams are responsible for entering all their Ontario Basketball scores through their coach login regardless if they have won or lost. Teams must post their scores within 14 days following completion of a game. If results are not posted within the above timeframe, the score will not be considered by the Ranking Committee.

Teams that fail to submit results will be listed as N/R (Not Ranked) for the initial ranking meeting. If results are not posted for the final ranking meeting, the team will not be permitted to compete in Ontario Basketball Championships.

Failure to submit all game scores or falsification of information by a coach is a serious offence and will result in a sanction under the Fair Play Policy.

4.5 TEAM PARTICIPATION REQUIREMENTS

Teams must meet the following requirements to be eligible to participate in the Ontario Basketball Championships:

| Ontario Basketball Championships |
|---|
| <p>U10 – U12 Boys and Girls</p> <ul style="list-style-type: none"> • Play in the Ontario Basketball League or: • Play a minimum of six (6) games against OBA sanctioned teams <p>U13 – U19 Boys and Girls</p> <ul style="list-style-type: none"> • Play in the Ontario Basketball League or: • Play a minimum of eight (8) games against OBA sanctioned teams |

All teams must play the minimum number of games against OBA teams within their age category.

Teams that fail to play the minimum number of games before the final rankings meeting will not be ranked and therefore will not be permitted to participate in Ontario Basketball Championships.

Teams can request an exemption before the final ranking results submission deadline for their age group (see Section 4.8 for the exemption process).

All teams must play the minimum number of games against other OBA teams using only players listed on their OBA roster. Games against teams from other provinces, other countries, high schools, or elementary schools do not count for ranking purposes. It is important to note that these games are not sanctioned events by Ontario Basketball and therefore Ontario Basketball's insurance policy will not apply.

Further, all registered players listed on the team roster must play a minimum of three (3) sanctioned games with their team in order for each player to be eligible to compete in Ontario Basketball Championships. Coaches may be asked to provide scoresheets should any question arise about whether a player has met the participation requirement at Ontario Basketball Championships.

Teams that have Ontario Scholastic Basketball Association (OSBA) players on their club rosters must declare their registration to Ontario Basketball via smartsheet:

<https://app.smartsheet.com/b/form/30c2c433278b4edf843eef6019f36f39>

Non-disclosure can result in the ineligibility of the OSBA player on the club team. Additional sanctions will be determined by the Fair Play Committee.

4.6 TEMPORARY CALL-UP

Any team requesting the use of younger players from within their own club must complete the Temporary Call-Up Permit. This permit must be received by OBA 48 hours before the start of the sanctioned game/tournament. Requests should only be sent if a team is unable to meet the minimum player requirements for their respective age group. The application will not be reviewed if the team meets the minimum player requirement. Please contact Mike Barbin (mbarbin@basketball.on.ca) to receive the form.

Players are permitted to be called up to an older-aged team for a maximum of:

- Four (4) league/sanctioned games, OR
- One (1) sanctioned tournament

If a player exceeds the maximum number of games/tournaments, they will be required to play up for the remainder of the season.

Teams are permitted, subject to approval by the tournament host and Ontario Basketball, to participate in one sanctioned tournament or two league/sanctioned games at an older age group during the basketball season. Any teams participating in more than one sanctioned tournament or two league/sanctioned games will be required to play at the higher age level for the remainder of the season including Ontario Basketball Championships.

4.7 MIXED TEAMS

In all age categories, teams may compete with boys and girls on the same team, but they must compete in the boys' division.

4.8 REQUEST FOR EXEMPTION

The Request for Exemption process is intended to provide Ontario Basketball members with a procedural mechanism to request an exemption from various rules or regulations published annually in the Rules and Regulations Manual.

This process is intended to be used in exceptional circumstances. Any decision of the Request for Exemption Committee is final and binding. Any requests that are denied are not subject to further review or appeal.

Exceptions

A member cannot file a Request for Exemption for the following rules and regulations:

1. Final ranking and seeding results.
2. Minimum number of players required to start a game.

Process to Request an Exemption

Contact Mike Barbin (mbarbin@basketball.on.ca) to receive the Request for Exemption Application Form via e-mail.

Complete and submit the form along with \$100 payment to Ontario Basketball. If the application lacks information and details, the form will be sent back to the applicant.

A completed form will be forwarded to the Chair of the Request for Exemption Committee. Once a decision has been finalized, Ontario Basketball will contact the applicant and provide them with the committee's decision.

5.2 TEMPORARY CALL-UP

Any player is eligible to be called up to play for a team of an older age category within their own club.

An athlete is NOT able to play for a team:

- In the same age group of the team that they currently play for;
- In a younger age group than the team that they currently play for; or
- In another OBA member club.

Players are permitted to be called up to an older-aged team within their own club for a maximum of:

- Four (4) league/sanctioned games, or
- One (1) sanctioned tournament.

Note: A player cannot be called up to participate in Ontario Basketball Championships.

If a player exceeds the maximum number of games/tournaments, they will be required to play up for the remainder of the season.

5.3 TEAM REGISTRATION

Each athlete is permitted to play on only ONE Ontario Basketball club team per Ontario Basketball season. Once an athlete has signed a team roster or has played in more than two games or one sanctioned tournament with an older-aged team within their club, they are required to stay with that team for the remainder of the season.

Ontario Scholastic Basketball Association (OSBA) schools are not categorized as an Ontario Basketball club. Therefore, athletes are allowed to play for an OSBA team and an Ontario Basketball club team.

A player is NOT permitted to participate in more than one Ontario Basketball Championships per season.

A player failing to comply with the above regulations will be removed from competition for the remainder of the OBA season and will be subject to provisions decided upon by the Fair Play Committee.

5.4 ATHLETE TRANSFER POLICY

For Ontario Basketball's Athlete Transfer Policy, visit the Policies and Procedures page on the Ontario Basketball website (www.basketball.on.ca/policies).

5.5 MINIMUM & MAXIMUM PLAYER REGISTRATION REQUIREMENTS

| Age category | Minimum number of players required on the OBA team roster form | Maximum number of players | Minimum number of players required to start game |
|---------------------|---|----------------------------------|---|
| U10 to U12 | 10 | 15 | 10 |
| U13 to U19 | 8 | 15 | 5 |

U10 to U12 teams that are able to demonstrate that they have made reasonable efforts to recruit 10 players for their OBA team roster but have been unable to do so may request an exemption through the process set out in Section 4.8.

6. SANCTIONED TOURNAMENTS

6.1 SANCTIONED TOURNAMENT REGISTRATION

Hosting Information

For sanctioned tournament hosting information, visit the *Host a Sanctioned Tournament* page under the Competitions section of the Ontario Basketball website (www.basketball.on.ca/host-sanctioned-tournament), or contact Mike Barbin (mbarbin@basketball.on.ca).

Hosting Requirements

For an organization to host a sanctioned event, they **MUST** have a team competing in the age group of the tournament and the team must be registered with Ontario Basketball. Ontario Basketball will ensure that all teams attending the event are paid and registered with Ontario Basketball prior to the event.

Cost

The cost of sanctioning a tournament is \$40 per tournament to cover the cost of OBA sanctioned tournament resources and administration. Sanctioned tournaments are covered by Ontario Basketball's insurance in the case of injury or damage for the host club or any clubs visiting the facility.

Promotion

Once a tournament is sanctioned, the event will be advertised on the Search for a Tournament page under the Competitions section of the Ontario Basketball website (www.basketball.on.ca/search-for-tournament). Click the link for the Google document that lists all currently sanctioned tournaments.

6.2 PARTICIPATION REQUIREMENTS

All teams must be fully registered with Ontario Basketball prior to participation in an OBA-sanctioned event.

Age Category Requirements

No team shall be permitted to play in a different age category (e.g., U16 against U17) in a sanctioned tournament, unless permission has been granted by the host and approved by Ontario Basketball.

Approval from OBA will be granted if a team withdraws from a sanctioned tournament 24 hours prior to the start of the first scheduled game(s) and if the host has exhausted all other possibilities of finding a team in the same age category.

A team that contravenes this process will be required to play in the older age category for the remainder of the season, including Ontario Basketball Championships.

6.3 HOST RESPONSIBILITIES

As outlined in the Sanctioned Tournament package, all tournament hosts are required to provide OBA with an e-mail from the local officials' board confirming their availability to work the event.

Sanctioning Requirements

In order for a tournament to be sanctioned by Ontario Basketball and have results count towards final ranking and seeding, all games must:

1. Abide by Ontario Basketball rules and regulations,
2. Be officiated by a minimum of two (2) Ontario Association of Basketball Officials (OABO) representatives, and
3. Follow the FIBA game rule set.

Gym Convener

The tournament host must ensure that there is a gym convener present at all times during competition.

Tournament Draw Submission Deadline

The host must provide Ontario Basketball with a final tournament draw no later than the Monday of the week of the proposed tournament. This allows Ontario Basketball to ensure that all teams are registered and that the draw format complies with the Long-Term Athlete Development Model (LTAD).

Tournament Draw Requirements

To comply with LTAD recommendations for adequate rest and recovery time, draw formats must meet the following requirements:

- Teams must have at least a 90-minute break between games.
- Teams should play a maximum of two (2) games per day, though teams are permitted to play a maximum of three (3) games per day.
- Games for U10 to U12 teams should not start after 7:30 p.m.

Tournament Results Submission Deadline

It is the responsibility of the tournament host to submit final results from the event to Ontario Basketball no more than 10 days after the conclusion of the event.

Failure to Comply

Failure to comply with the outlined responsibilities may affect a club's eligibility to host sanctioned events in the future.

7. ONTARIO BASKETBALL CHAMPIONSHIPS

7.1 RANKING & SEEDING

Game Results

Rankings for teams will be completed using game results that have been entered online. No consideration will be given to games that were not listed on a team's results page. If a team fails to report the minimum number of games required prior to the final ranking deadline, they will not be ranked and will be deemed ineligible to participate in Ontario Basketball Championships.

Ontario Basketball will sanction non-OBL league games that are OBA rule compliant and are between two OBA affiliated teams. Proper game results reporting will need to be completed in order for the games to count towards 2020-2021 rankings.

Initial Rankings

There will be one initial ranking per age group that will be completed by the Ranking and Seeding Committee. Ontario Basketball will not accept any appeals for initial rankings.

Final Rankings

For the final rankings, a committee will meet to review all game results and discuss any team notes to ensure accurate rankings for the Ontario Basketball Championships.

After the final rankings meeting, **preliminary final ranking results will be e-mailed to head coaches; they will not be posted online.** It is thus imperative that clubs ensure that **accurate head coach e-mail addresses are registered for every team.**

Appeal Process

After receiving preliminary final rankings, coaches have **24 hours to appeal.** Appeals will only be accepted from the head coach of a team. Coaches must e-mail appeals to the appropriate ranking chair, as follows:

Boys: TBD

Girls: Elsa Donovan (edonovan@basketball.on.ca)

Eligible Appeals

If a coach feels their team has been placed in the wrong division and wishes to appeal, they must provide detailed reasons, including game results, to explain why their team should be moved to a different division.

OBA will NOT accept any appeals to move up or down WITHIN a division.

Contact

General ranking questions can be e-mailed to Mike Barbin (mbarbin@basketball.on.ca).

7.2 TIE-BREAK FORMAT

The 2020-21 Ontario Basketball Championships Tie-Break format will be as follows:

Step 1: Most Wins

The team with the most wins will be given priority ranking.

Step 2: Two-Way Tie, Head-to-Head Method

If a tie exists between two teams at the completion of the schedule, the winner of the game played by the two teams involved (head-to-head match-up) will be given priority ranking.

Step 3: Three-Way Tie, Points For and Against Method

If a tie exists between three or more teams, the points for and against method will be used with a cap at 20 points per game.

Example: If Team A wins by 32 points, only a point spread of +20 will be used for that game, not +32.

Scores against the team(s) NOT involved in the three-way tie are discarded.

The total points scored and allowed for each game is calculated for the teams involved in the three-way tie.

The team with the highest points for and against value will be given priority ranking.

The team with the second highest points for and against value will be given the secondary ranking.

Example: Three pool games of the three teams tied.

Game One: A 50 - B 45

Game Two: B 60 - C 38

Game Three: C 45 - A 37

Team A: *Game One* (+5), *Game Three* (-8) = -3 Points For and Against

Team B: *Game One* (-5), *Game Two* (+20) = +15 Points For and Against

Team C: *Game Two* (-20), *Game Three* (+8) = -12 Points For and Against

Team B receives the priority ranking.

Team A receives the secondary ranking and advances to the playoffs.

Team C is eliminated from the playoffs.

Step 4: Two-Way Tie Persists, Head-to-Head Method

If a tie exists between two teams after using the three-way tie – Points For and Against Method (see Step 3 on the previous page), the winner of the game played by the two teams involved (head-to-head match-up) will be given priority ranking.

Example:

| Team | Points For | Points Against | Points For and Against |
|------|------------|----------------|------------------------|
| A | 90 | 80 | +10 |
| B | 100 | 90 | +10 |
| C | 80 | 100 | -20 |

The winner of the game between Team A and Team B receives the priority ranking.

The loser of the game between Team A and Team B receives the secondary ranking.

Team C is eliminated from the playoffs.

Step 5: Three-Way Tie Persists, Additional Pool Play Result

If a tie persists between three teams after the Points For and Against Method is used, the game against the remaining team in the pool will be added to the calculation to determine who is given priority ranking. If a tie persists between two teams after the additional score is used, the head-to-head method will be used to determine the priority ranking.

Example:

| Team | Points For and Against of Teams Involved | Additional Pool Play Game Result | Total Points For and Against |
|------|--|----------------------------------|------------------------------|
| A | 0 | 50 - 55 = -5 | -5 |
| B | 0 | 68 - 60 = +8 | +8 |
| C | 0 | 55 - 52 = +3 | +3 |

Team B receives priority ranking.

Team C receives the secondary ranking and advances to the playoffs.

Team A is eliminated from the playoffs.

Step 6: Three-Way Tie Persists, Number Draw

The numbers one, two, and three are written on individual pieces of paper and placed in a container by a neutral third party.

Each coach then draws a piece of paper from the container, beginning with the highest-seeded team and ending with the lowest seeded.

The team that draws the number 1 receives the priority ranking.

The team that draws the number 2 receives the secondary ranking.

The team that draws the number 3 is eliminated from the playoffs.

7.3 PROTESTS

In the event of a protest, a protest form (available from the convener at the venue) must be submitted to the tournament coordinator accompanied by a \$50 fee within one hour of completion of the game that is being protested. The fee will be returned should the result of the game be overturned. As per FIBA rules, the score will be overturned to 2-0, or if the losing team is at fault, the score will remain as recorded.

Ontario Basketball will not overturn a result based on calls made by the officials throughout the game and will not review any video evidence during the protest. As per FIBA game rules, the scoresheet will be the final indicator of any discrepancies.

7.4 SPECTATOR BEHAVIOUR

Noisemakers (e.g., mechanical air horns, electronic devices) are allowed but must be used only in a positive manner and in line with OBA's Fair Play Policy. Noisemakers should not be used to distract the opposing team (i.e., during foul shots).

Should the tournament convener or game officials deem the noise to be excessive, spectator(s) will be asked to refrain from further distraction.

8. GAME PLAY

8.1 OVERVIEW

All sanctioned OBA games will be governed by FIBA (International Basketball Federation), whose rule books are adopted for use at all OBA-sanctioned games and tournaments. OBA has added and made certain modifications to the FIBA rules including components of the U10 Novice to U12 Major Atom games in order to meet the needs of the young players. The rules and modifications for each specific age category can be found in each age category's rules and regulations section.

8.2 OFFICIALS

Every Ontario Basketball game must be refereed by two OABO officials assigned through the local officials' board.

8.3 GAME FORFEITURE

A 15-minute grace period from the scheduled start of the game will be granted for a late team.

At a **sanctioned tournament**, the tournament convener shall decide if a forfeit is to be called after the 15-minute grace period has expired.

At the **Ontario Basketball Championships**, an OBA staff member shall decide if a forfeit is to be called after the 15-minute grace period has expired.

Teams arriving in the 15-minute period will be permitted a five-minute warm-up to prevent injury.

In a forfeited game, the score shall be recorded as 2-0. If both teams forfeit (due to insufficient players), the score shall be recorded as 0-0.

8.4 TIMEOUTS

During a game, each team receives:

- Two 60-second timeouts in the first half.
- Three 60-second timeouts in the second half. **Note:** *Only two timeouts will be granted in the last two minutes of a game. Coaches must therefore use one timeout before the last two minutes of the game; otherwise they effectively "lose" that timeout.*

Any unused timeouts do not carry over into overtime periods. One timeout per overtime period is granted.

8.5 FREE THROWS AFTER TIME HAS EXPIRED

Free throws shall be attempted after time has expired in the last period of the game provided a foul occurs:

- So near the expiration of time that the timer could not stop the clock before game time had expired; or
- After time expired but while the ball was in flight during a try for a field goal.

8.6 TEAM JERSEYS

Teams must be wearing a jersey that corresponds to the affiliated member club that they are associated with. Sanctions for both the team and club will occur if reported to Fair Play Committee.

The team with the higher seeding is considered the home team, therefore will wear the light/home jersey.

As per FIBA Rules and Regulations (2014), any number between 0 and 99 is permitted.

8.7 TEAM BENCHES

The team with the higher seeding is considered the home team, therefore will have the option of selecting which bench they would prefer to sit on.

**Repeated violations with the drop back rule could result in a delay of game penalty.*

Closely Guarded Rule

If there is no shot clock (U10 to U14), a modification of the FIBA closely guarded rule will be applied.

A five-second closely guarded count will be applied when a player is holding the ball while an opponent is actively defending within one metre anywhere on the court, with the following exception:

If, in the judgement of the officials, a team is withholding the ball from play and/or delaying, a closely guard count will be applied when a player is holding OR dribbling the ball while an opponent is actively defending within one metre in the front court.

As such, once the closely guarded count begins, the offensive player who is closely guarded must pass or shoot the ball within five seconds.

9. AGE-SPECIFIC RULES

Please refer to Canada Basketball's Long-Term Athlete Development model for additional stage-appropriate information (www.basketball.ca/files/LTAD.pdf).

9.1 LEARN TO TRAIN (U10 – U12) RULES

Playing Court Dimensions & Equipment

| | |
|-----------------------------|---------------|
| Court Size (Minimum) | 44' X 74' |
| Court Size (Maximum) | 50' X 84' |
| Free Throw Line (U10) | 13' |

| 3-Point Line (U10) | Not in effect |
| 3-Point Line (U11 & U12) | In effect |
| Ball Size | 5 (27.5") |

Game Rules

The Participation Rule will be in effect for the entire game as outlined in the section below.

The game will be eight periods with each period being four minutes in length.

The time between period four and period five is halftime.

Periods two to eight will start in the direction of the possession arrow and the throw-in shall be from out-of-bounds straddling the centre line extended, opposite the scorers' table.

During the game, substitutions will only occur at the end of each period.

Substitutions are permitted for medical reasons at any time if an injury occurs during the eight periods.

A player who leaves a shift due to injury or medical reasons shall not return to the game during the same shift.

In the event a player fouls out or is injured and unable to return to play, the team is permitted to continue with less than 10 players. The Fair Play Commissioner will investigate any formal complaint regarding any incident where a team has player(s) intentionally foul out to gain a competitive advantage. Discipline could include but is not limited to suspensions and/or fines.

Participation Rule

The Participation rule was formulated for the best interests of the children playing at the Learn to Train stage of development and aims at providing stage-appropriate competition that maximizes each athlete's long-term development.

Every child who is registered and has signed a team roster form must participate under the Participation rule. Every coach is expected to respect the intent of these rules and adhere to them.

Coaches are required to provide playing time for all players present at the game who have been registered with Ontario Basketball. This rule will be in effect for the entire game.

All teams must abide by this rule for all Ontario Basketball games including sanctioned games, sanctioned tournaments, Ontario Basketball League games, and Ontario Basketball Championships.

Participation Rule Violations

If any team is found in violation of the participation rule, the game will be considered a forfeit game (2-0).

It is the responsibility of all coaches to check the scoresheet during and after the game for accuracy of shift tracking.

Should a violation in the participation rule occur, it is the responsibility of the coach to raise this issue.

During OBL games, coaches must report violations to the convener and by e-mail to Tyler Harding (tharding@basketball.on.ca). The violation will be reviewed by Ontario Basketball after the weekend. Changes to game results will happen after the review, if necessary.

If a shifting violation has occurred, teams must finish playing the game and any decisions regarding further penalties will be handled by the Fair Play Committee upon completion of the game.

Minimum Shifts Required Per Player

| Number of Players | Min. Shifts per Player | Max. Shifts per Player |
|--------------------------|-------------------------------|-------------------------------|
| 15 | 2 | 3 |
| 14 | 2 | 3 |
| 13 | 3 | 4 |
| 12 | 3 | 4 |
| 11 | 3 | 4 |

| | | |
|----|---|---|
| 10 | 4 | 4 |
|----|---|---|

Important Shifting Notes

- Each player must play and complete a minimum of one shift per half.
- Back-to-back shifts are permitted.
- The sequence of shifting is not relevant as long as each player receives the minimum number of shifts, does not exceed the maximum, and plays at least one shift per half (First half = Shifts 1, 2, 3, 4; Second half = Shifts 5, 6, 7, 8).
- For all sanctioned, sanctioned tournament, and OBL games, a team must have 10 players to start each game, otherwise the game is forfeited (2-0). In such circumstances, the game must still be played.
- In the case of injuries or foul outs that result in a team playing with less than the required 10 players, a team is permitted to continue the game with less than 10 players and the game will not be considered a forfeit based on this circumstance. Equal play guidelines still apply to the athletes remaining in the game; **no player is permitted to play more than one shift than any other player**. This exception only applies if the team meets the required number of players to start the game. Subsequently, if injured or fouled out in the 1st half. That player does not have to satisfy a shift in the 2nd as they are no longer considered in the shifting.
- For Ontario Basketball Championships, a team must have 10 players to start their first game of each weekend, otherwise the game is forfeited (2-0). In such circumstances, the game must still be played. Specific to Ontario Basketball Championships only, in the case of injuries or foul outs that result in a team playing with less than the required 10 players, the first and subsequent games will not be considered a forfeit; the game results will count provided that all players have completed at least one shift in the first half of their first game, and the Participation rule is observed throughout all games.
- In the case of a disagreement on which team has to put out their lineup first, the lower ranked seed will be asked to put their lineup out first.

Assigning Shifts

For the purpose of shift assignment for the participation rule, each shift shall be divided into four one-minute intervals, and assignment of a shift shall take place as follows:

In the event of an injury, medical emergency or an athlete fouling out and a substitution is required, the athlete who plays the majority of the shift will be assigned as having played that shift.

If Player #1 is injured any time in the first minute and fifty-nine seconds or less of their shift (4:00 to 2:01 on the game clock) and requires a substitute, the shift will be assigned to Player #2 (the substitute).

If Player #1 plays the majority of their shift (has played two minutes or more of the shift, or 2:00 or less on the game clock) and requires a substitute, the shift will be assigned to Player #1 (the injured or fouled out player).

Case 1 Example: Player A1 is injured 1 minute and 15 seconds into the shift (2:45 on the game clock). Player A2 is substituted into the game to replace teammate A1. The shift is assigned to

the substitute (Player A2) on the scoresheet, as they will have played the majority of the shift (2 minutes and 45 seconds of the four-minute shift).

Case 2 Example: Two minutes and five seconds into shift (1:55 on the game clock), Player B4 received their fifth foul and is therefore fouled out. Player B7 is substituted in to replace teammate B4. In this case, Player B4 has already played the majority of the shift (more than half of the four-minute shift) and therefore the shift is recorded as being played by Player B4 on the scoresheet.

Late Players

Although adding eligible player(s) after the game has started to the official scoresheet is permitted, the Participation rule must be met for all players including late player(s). Players must play in at least one shift in the first half in order to fulfill equal playing time requirements and thus a player cannot be added in the second half and meet the Participation rule.

Tracking Playing Time

The scorer is required to track all of the players' shifts including substitutions due to injuries, medical reasons, and fouling out.

Each time a player is on the court for a shift, a checkmark will be made in the space provided on the scoresheet (see example below).

| Team: | | Date: | | | | Location: | | | |
|--------------|---------------|----------|----------------|----------|---------------|-----------|----------------|----------|--|
| Player | First Quarter | | Second Quarter | | Third Quarter | | Fourth Quarter | | |
| Shift | One | Two | Three | Four | Five | Six | Seven | Eight | |
| Barbin | | √(1) | | √(2) | | √(3) | | √(4) | |
| Jansson | √(1) | | √(2) | | √(3) | | √(4) | | |
| Harding | √(1) | | √(2) | | √(3) | | √(4) | | |
| Molina | | √(1) | | √(2) | | √(3) | | √(4) | |
| Prasaud | | √(1) | | √(2) | | √(3) | | √(4) | |
| Lafontaine | √(1) | | √(2) | | √(3) | | √(4) | | |

| Eyers | | √(1) | | √(2) | | √(3) | | √(4) | |
| Cave | √(1) | | √(2) | | √(3) | | √(4) | | |
| Total | 5 | 5 | 5 | 5 | 5 | 5 | 5 | 5 | |

Note: The brackets illustrate the number of shifts the player has played and are not placed on the scoresheet.

Faking Injuries/Not Dressing Players

It is considered unethical and having a lack of respect for the intent and spirit of the game for a coach to instruct an athlete to fake an injury or not allow them to dress for competition for no reason. Instructing particular players to not attend particular games for the competitive advantage

of circumventing equal shifting is unethical, unsportsmanlike, and counterproductive to the focus on development for Learn to Train athletes.

At no time shall a player be intentionally excused from a sanctioned game by a coach. Coaches are not permitted to instruct any players on their roster that they are not able to play in selected games. Ontario Basketball recognizes the fact that not every child will attend every game due to other commitments and circumstances. However, the choice to attend must be left up to the player and player's parents.

As per FIBA rules (Art 5.3), an athlete is considered injured if they cannot continue to play immediately (within approximately 15 seconds) or if they receive treatment on the floor.

Drop Back Rule

For U10 teams, pressing is not permitted.

For U11 and U12 teams, when a team leads by 15 points or more, its players must immediately 'drop back' into their backcourt behind the eight-second line once the losing team secures player control of the ball (dribbling or holding the ball) in its backcourt. The losing team shall be allowed to dribble the ball unimpeded across the eight-second line and establish frontcourt status.

Violation of the rule stated above will result in the ball being awarded out-of-bounds to the losing team, at the frontcourt sideline, at the extended free throw line. Repeated violations of this rule may result in a delay of game penalty.

Overtime

The length of each extra period shall be four minutes.

Timeouts do not carry over to the overtime period. Each team receives one timeout per overtime period.

The participation rule during overtime is still in effect during overtime.

Each overtime period begins in the direction of the possession arrow.

9.2 TRAIN TO TRAIN (U13 – U14) RULES

Playing Court Dimensions & Equipment

| | |
|----------------------|-----------|
| Court Size (Minimum) | 44' X 74' |
| Court Size (Maximum) | 50' X 84' |
| Free Throw Line | 15' |
| 3-Point Line | In effect |
| Ball Size | 6 (28.5") |

Game Rules

The game will consist of four quarters of play. Each quarter is eight minutes long. After the first quarter, each quarter will start in the direction of the possession arrow, and the throw-in shall be from out-of-bounds straddling the centre line extended, opposite the scorers' table.

Overtime

The length of each extra period shall be four minutes long.

Timeouts do not carry over to the overtime period. Each team receives one timeout per overtime period.

Each overtime period begins in the direction of the possession arrow.

Drop Back Rule

When a team leads by 20 points or more, its players must immediately 'drop back' into their backcourt behind the eight-second line once the losing team secures player control of the ball (dribbling or holding the ball) in its backcourt. The losing team shall be allowed to dribble the ball unimpeded across the eight-second line and establish frontcourt status.

Violation of the rule stated above will result in the ball being awarded out-of-bounds to the losing team, at the frontcourt sideline, at the extended free throw line. Repeated violations of this rule may result in a delay of game penalty.

9.3 TRAIN TO COMPETE (U15 – U19) RULES

Playing Court Dimensions & Equipment

| | |
|-----------------------------|-----------|
| Court Size (Minimum) | 50' X 84' |
| Court Size (Maximum) | 50' X 94' |
| Free Throw Line | 15' |
| 3-Point Line | In effect |
| Ball Size (U15–U19 Females) | 6 (28.5") |
| Ball Size (U15–U19 Males) | 7 (29.5") |

Game Rules

The game will consist of four periods of play. Each quarter is eight minutes long.

After the first quarter, each quarter will start in the direction of the possession arrow, and the throw-in shall be from out-of-bounds straddling the centre line extended, opposite the scorers' table.

It is mandatory that all sanctioned games for the U15 to U19 age categories use shot clocks.

Overtime

The length of each extra period shall be four minutes long.

Timeouts do not carry over to the overtime period. Each team receives one timeout per overtime period.

Each overtime period begins in the direction of the possession arrow.

24-Second Shot Clock Rules

Shot clocks are mandatory for all games. Standard FIBA rules will apply should a shot clock malfunction or not work during a game.

Whenever a player gains control of a live ball on the court, their team must attempt a field goal within 24 seconds.

To constitute a shot for a field goal within 24 seconds, the ball must leave the player's hand(s) before the 24-second device signal sounds, and after the ball has left the player's hand(s), the ball must touch the ring or enter the basket.

When a shot for a field goal is attempted near the end of the 24-second period and the signal sounds while the ball is in the air:

- If the ball enters the basket, no violation has occurred, the signal shall be disregarded and the goal shall count.

- If the ball touches the ring but does not enter the basket, no violation has occurred, the signal shall be disregarded and the game shall continue.
- If the ball hits the backboard (not the ring) or misses the ring, a violation has occurred unless the opponents have gained immediate and clear control of the ball, in which case the signal shall be disregarded and the game shall continue.

Refer to Article 29 of the FIBA Manual (page 30) for the full 24-second rules and procedures.

24-Second Shot-Clock Procedure

Possession of the ball shall be awarded to the same team that previously had control of the ball if the game is stopped by an official for:

- A foul or violation (not for the ball having gone out-of-bounds) by the team not in control of the ball,
- Any valid reason by the team not in control of the ball, or
- Any valid reason not connected with either team.

If the throw-in is administered in the backcourt, the 24-second clock shall be reset to 24 seconds.

If the throw-in is administered in the frontcourt, the 24-second clock shall be reset as follows:

- If 14 seconds or more is displayed on the 24-second clock at the time when the game was stopped, the 24-second clock shall not be reset, but shall continue from the time it was stopped.
- If 13 seconds or less is displayed on the 24-second clock at the time when the game was stopped, the 24-second clock shall be reset to 14 seconds.

However, if in the judgement of an official, the opponents would be placed at a disadvantage, the 24-second clock shall continue from the time it was stopped.

24-Second Shot Clock Penalty

The ball shall be awarded to the opponents for a throw-in at the place nearest to where the game was stopped by the official, except when directly behind the backboard.
