

Attestation of COVID-19 Vaccination Status

The Ontario Basketball Association (the “OBA”) is committed to ensuring the health and safety of all OBA participants and operating in compliance with the recommendations and requirements of public health authorities in Ontario.

In line with the guidance and position of public health authorities, vaccination provides the best and safest protection against COVID-19 transmission and reduces the risk of community spread. Further, multiple public health units in Ontario are recommending or requiring that any persons aged 12 years or older be fully vaccinated as a condition of participating in organized sports.

Accordingly, subject at all times to the provisions of applicable human rights legislation, the OBA’s Vaccination Policy requires all vaccine-eligible OBA participants, including athletes, coaches, officials, administrators and volunteers aged 12 years or older, be fully vaccinated against COVID-19, as defined in the OBA’s Vaccination Policy.

To comply with the OBA’s Vaccination Policy, all coaches that register their teams with the OBA are required to complete and submit an attestation form, which can be found below. The information that will be collected by the OBA will be restricted to the coach’s name and confirmation that the coach and coach’s team members are fully vaccinated against COVID-19, as defined in the OBA’s Vaccination Policy. At all times, the OBA will maintain the information collected in strict compliance with all applicable privacy laws.

I, _____, confirm that I am fully vaccinated against COVID-19, as defined in the OBA’s Vaccination Policy. I further confirm that the vaccine-eligible members of my team, including any athletes, coaches, officials, administrators and volunteers, are fully vaccinated against COVID-19, as defined in the OBA’s Vaccination Policy. I understand that I am required to provide accurate information regarding my vaccination status and the vaccination status of my team, and that failure to do so may result in my team’s inability to participate in OBA sanctioned events. By signing below, I certify that I have accurately and truthfully completed the attestation of COVID-19 vaccination status form set out above.
