ABOUT CATEGORIES TEAMS SCHEDULE REGISTER

REGISTER

Parents and Coaches must register on behalf of players that are below 13 years of age so that contact information can be collected. This is so that the tournament Organizer can contact you with further details about the event.

△ Registering teams for U13 players:

You cannot register a team using a U13 profile

An email address is required to register a team. In order to protect the privacy of children Fiba does not collect email addresses for U13 players.

There are two ways to register a U13 team:

1. Log out from the U13 profile, and log in with a confirmed normal (non U13) FIBA 3x3 Profile.

2. Register the team using that profile.

1. Log out from the U13 profile and choose Register as a Guest. Notice that you must verify the email address used for registering the team.

2. Register the team using your verified email.

In both scenarios you will be added as team contact for the team, once you have successfully registered the team you can add the U13 profiles as players in the team.

Registration closes on Mon, Aug 16, 2021 (in 31 days)
